

Summarizer:

In the space below and on the back, write a six to eight sentence summary of the reading. Be sure to include important characters and events.

Word Wizard:

Choose three new words from your reading assignment. Write down each word and its page number. Define each word according to the way it is used.

Literary Luminary:

Find three examples of figurative language or other literary elements. Write down the example and its page number. Write an explanation for it.

Discussion Director:

Create three interesting questions for the reading. Make sure your questions can be answered from the assigned reading. Include page numbers.
