Display Project

You will be making a display that incorporates all the pieces we have been creating over the last week. You will be provided with a large sheet of construction paper which will be made into a tri-fold display.

The following is a list of the requirements for your display:

1. Your name and your nickname (if you have one) must appear across the front of the closed tri-fold display.
2. Decorate the front of the closed display as you wish and include three of your favorite things. (For example, your favorite color, your favorite music, your favorite book, your favorite animal, etc.)
3. On the left panel of your open display, make three flaps. Under the flaps, write the final drafts of your descriptions of your three museum artifacts. On top of the flaps draw pictures of your artifacts, or if the actual items aren't very big, you can actually attach them to the flaps. (If the items are valuable, it is probably best to draw them or take a picture of them.)
4. On the right panel of your open display, put two flaps. Label them "Someone Else's Perspective" and "My Influence." Write final drafts of your two written pieces under the flaps.
5. At the top of the center panel, make a final draft of your timeline.
6. At the bottom of the center panel, include one or two flags or drawings to signify the origins of your family (German, Irish, etc.).
